OUR STORY

WHO IS CRISIS CONNECTIONS?

Crisis Connections has been at the heart of the community safety net for over 50 years. Our passion is caring and listening; empowering people to make positive life changes. We do this through connections between people and critical resources.

Today, we are a nationally recognized leader in behavioral health, crisis intervention, suicide prevention, and information and referral. We offer phone, online, and text support services that provide immediate assistance to individuals and families in crisis. In 2020, over 320,000 people reached out to Crisis Connections. Our core programs include: the [24-Hour Crisis Line, King County 2-1-1, WA Recovery Help Line, Teen Link, WA Warm Line, and Survivors of Suicide Support Groups.](#)

The goal of our programs are to reduce distress for individuals and families who are experiencing any kind of crisis, whether it is emotional, related to mental health or suicide, personal, or financial.

light up the night

October 8, 2021

Laughter has a way of instantly connecting people and is one of the most basic and fundamental ways in which we communicate as human beings. One of the many benefits of humor is the power to reduce anxiety, stress, and depression. Crisis Connections' annual fundraising event will celebrate how the power of laughter can promote healing in our community through comedy and musical live performances.

Connect: Light up the night will be held on Friday, October 8th from 5:30pm-7:30pm online. Guests will enjoy food and libations while learning about Crisis Connection's programs and finding ways to connect through laughter.
